

## Food Truck Inspection Information

Please ensure all mobile food vendors are aware they must have a current food truck inspection certificate from the Kendall County Fire Marshal and the Health Inspector prior to setting up for the Dickens on Main Event. Vendors may contact the Kendall County Fire Marshal at [harold.dehart@co.kendall.tx.us](mailto:harold.dehart@co.kendall.tx.us) or 830-249-3721 and the Health Inspector at [bbell@co.kendall.tx.us](mailto:bbell@co.kendall.tx.us) or 830-249-9343 x214 for more information. The City of Boerne Fire Marshal's Office will inspect food vendors operation on the day of the event to ensure the required inspection certificates have been obtained and their operation is safe for the general public. Please contact me if you have any questions.
